COLLEGE OF HEALTH SCIENCES SCHOOL OF PUBLIC HEALTH

Department of Disease Control & Environmental Health

Master of Environmental and Occupational Health (MEOH)

Makerere University School of Public Health (MakSPH) is pleased to announce the **Master of Environmental and Occupational Health (MEOH)** hosted under the Department of Disease Control & Environmental Health that has finally been approved by the National Council for Higher Education (NCHE) available for academic year 2022/2023. Applicants should have obtained at least a first class or second-class degree (or its equivalent) from a Chartered University at the time of completion. Applicants should also possess a Uganda Certificate of Education (or its equivalent) and a Uganda Advanced Certificate of Education (or its equivalent).

As announced by the Academic Registrar, Makerere University, this course is open for all prospective candidates to apply by **Friday, 12th August 2022**.

1.0 Admission requirements for Master of Environmental and Occupational Health

Admission to the programme shall be to both Ugandans and non-Ugandans who fulfil the admission requirements. The requirements described below are considered to be the minimal academic conditions for admission and only make one eligible. MakSPH shall conduct interviews for eligible candidates so as to ascertain their suitability for the programme. A first degree of at least second class lower, from a recognised/chartered University will be considered including:

- 1) A bachelor degree in Environmental Health Sciences
- 2) A degree in biological sciences, specifically including Human Nutrition; Environmental Sciences; Food Science and Technology and Bachelor of Sciences Biological.
- 3) A degree in the health sciences, specifically including Human Medicine, Nursing, Pharmacy, Dentistry, Public Health and Biomedical laboratory technology.
- 4) A degree in physical sciences.
- 5) A degree in Veterinary Medicine

- 6) At least two years of relevant working experience in an environmental health, occupational health, health service or health research institution is an added advantage

2.0 Tuition fees

The tuition fees for the International and East African students will be as indicated in the table below. The fees are based on prevailing University approved rates and costs of program implementation. The tuition fees are subject to change after some time. On top of the tuition fees, students will be required to pay University functional fees.

No.	Item	East Africans	International
1.	Tuition Per Year	UGX 6,200,000	UGX 8,500,000
